Dear Mr. Terhune,

On behalf of the New York State Division of Service-Disabled Veterans' Business Development (DSDVBD), it is my pleasure to inform you that T&T Materials, Inc. has been recertified as a New York State Service-Disabled Veteran Owned Business (NYS-SDVOB) effective February 17, 2020 and is eligible to continue participation in New York State's Service Disabled Veteran-Owned Business Enterprise Program in accordance with Executive Law Section 369-i(5). The certification is valid for five (5) years pending compliance with the conditions set forth in the published rules and regulations.

Please feel free to proudly display the enclosed Vendor Certification Certificate and the NYS SDVOB logo (to be sent via email). Also, please visit <https://online.ogs.ny.gov/SDVOB/search> to ensure that your business is listed correctly in the DSDVBD directory of certified SDVOBs and immediately notify us of any needed changes and/or corrections. If not already registered, we strongly recommend that you register with the New York State Contract Reporter at <https://www.nyscr.ny.gov/> as a NYS certified SDVOB.

While T&T Materials, Inc. has been recertified as being currently in compliance with the regulations, you must inform DSDVBD of any changes or other circumstances that might adversely affect its eligibility within thirty (30) days of the occurrence. Failure to comply with requirements or with any post certification audits may result in de-certification actions being initiated by DSDVBD.

Thank you for your service to our country and congratulations on your recertification! We look forward to continuing to work with you and request that you seek to employ veterans whenever possible as you grow your business.

Respectfully,

Kenneth E. Williams
